**TOWN WARRANT**  
**State of New Hampshire**

---

To the Inhabitants of the Town of Loudon in the County of Merrimack in said State, qualified to vote in Town Affairs:  
(L.S.)

You are hereby notified to meet at Town Hall in said Loudon on Tuesday, the 6th day of March, next at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

Polls will open at 9:00 A. M. and close not earlier than 7:00 P. M.

3. To see if the Town will vote to allow 2% discount on all property taxes paid within thirty days after presentation of tax bill.

4. To see if the Town will vote to authorize the Selectmen and the Town Treasurer to borrow a sum or sums of money not to exceed in the aggregate more than 75% of the anticipated amount to be collected in taxes for the current municipal year and to issue in the name and on the credit of the Town of Loudon negotiable notes therefor, said notes to be paid in 1973 from taxes collected during the current municipal year.

5. To see if the Town will raise and appropriate the sum of \$5,000 for the Highway Capital Reserve Fund.

6. To see if the Town will raise and appropriate the sum of \$383.00 for the Concord Hospital to help defray their estimated deficit for the year 1973.

7. To see if the Town will raise and appropriate the sum of \$2,000.00 for the Fire Department Capital Reserve Fund as set up in the 1963 Town Meeting.

8. To see if the Town will authorize the Selectmen to sell the lumber on Town owned land at their option.

9. By Request: To see if the Town will reopen Bee Hole Road from the North End of the now closed section Southerly approximately  $\frac{1}{2}$  mile.

10. By Petition: To see if the Town will reopen old Rt. 106 from the foot of Mudgett Hill Road North to where it intersects the new 106.

11. By Petition: To see if the Town will accept a new road known as "Country Hill Road" from Mudgett Hill Road Westerly 1,1416' and a right of way width of 50'.

12. By Petition: To see if the Town will close the Lovejoy Road from George Saunderson's house approximately 200 yds. Northerly to the Canterbury Town Line subject to gates and bars.

13. By Request: To see if the Town will vote to instruct the Selectmen to enforce the provisions of R.S.A. 578 against Bryar Motorsport Park to prevent racing of any nature on Sundays.

14. To see if the Town will vote to accept the new provisions allowing the Town Clerk and Tax Collector to be one office, to take effect March, 1974.

15. To see if the Town will vote to allow the Selectmen to purchase two year bank certificate with the money realized from the sale of Tax Deed Land.

16. By Request: To join the Central New Hampshire Regional Planning Commission.

To see if the Town will vote to become a member of the regional planning commission, now organized and named the Central New Hampshire Regional Planning Commission. This Commission has membership of more than ten municipalities and has jurisdiction over the planning region delineated by the Office of State Planning. The objective of the Commission is to plan for and encourage regional planning analysis, provide consensus on major problems of regional concern and to assist in the effectuation of projects within, and which extend beyond, the boundaries of a particular town.

The Commission has only the authority conferred on it by Chapter 36:45-53, Revised Statutes Annotated 1955, and is advisory to local governments in the Region. Members of the Commission shall be appointed by the Selectmen in accordance with State Law. Two representatives will be appointed from Loudon, N. H.

17. By Request: To appropriate a sum for the Town's share of operation of the Central New Hampshire Regional Planning Commission.

To see if the Town will vote to appropriate the sum of \$1,163. as the Town's share for the studies and operation of the Central New Hampshire Regional Planning Commission. These funds will be used for financing the staff, operation expenses, planning studies, technical assistance and other programs of the Commission. These funds may be used in conjunction with other State and Federal funds available for planning purposes.

18. By Request: To see if the Town will vote to appropriate \$510.00 at a rate of thirty cents per capita as the Town's share of costs of the Regional Refuse Disposal

Planning Board to undertake its work, conditional upon the terms set forth in the Board's proposed by laws.

19. By Request: To see if the Town will vote to designate the Currier Road from Wilson Smith's to Bennett Bridge as scenic under the provisions of RSA 253: 17 & 18, for the purposes of protecting and enhancing the scenic beauty of Loudon.

20. By Request: To see if the Town will raise and appropriate the sum of \$500.00, for the Loudon Conservation Commission, to be used for the purpose of acquiring land for conservation purposes. Any money not spent may be held for future acquisition.

21. By Request: To see if the Town will raise and appropriate the sum of \$100.00, for the Loudon Conservation Commission, to be used to defray operating expenses for the ensuing year.

22. By Request: To see if the Town will appropriate \$4,000.00 to purchase and maintain a police cruiser which will be fully equipped with equipment we now have, available to any of our Police Officers.

23. To see if the Town will vote to appropriate from the Revenue Sharing Trust Fund and transfer to the following accounts as listed \$19,076.20.

## OFFICE OF SELECTMEN

Our town is growing. Population has increased until we now number over nineteen hundred. Twenty-two permits have been granted for dwelling houses. Five permits for Industrial buildings. Several new large structures have already been built in our town in the past year, also new dwelling houses, contributing monetarily to the tax rate for 1973.

An auction of land acquired by tax collector deeds, some which had been off tax payments for forty years was duly publicized and held in October. A tidy sum of cash was realized which will require a vote of the town in March to consider a worthy project, also, the disposition of the money received from the U. S. Government as Revenue Sharing. Hopefully, only well planned projects will be considered that may add to better services for the town.

The newly appointed committees, namely, Dump and Conservation have worked hard and should be praised. The Planning Board has had many problems with developers, subdivision, building permits and requests for trailer installation. Bear with them, they are doing a good job without remuneration.

A new fire truck was acquired this year, which makes our town well equipped to care for the services required by a growing community.

1973 is the year for our Bicentennial Celebration; much work in preparation has been accomplished. The Townspeople should cooperate to make this a big success.

You will notice our highway cost is up. Labor, repairs, and asphalt prices have sky-rocketed. So many more miles of black top road has been added which we all appreciate, means many more hundreds of gallons of

asphalt needed to keep the roads in repair, increasing our budget considerably.

Increasing the land valuation by three dollars per acre to thirteen lowered the tax rate by seven dollars per thousand. However, we do not expect a reduction in the coming year.

All tax payers should come to the town office during the months of May and June to learn the appraisal of their property, allowing ample time for explanation or adjustment, therefore minimizing the last minute shock and dismay in October.

## REPORT OF HIGHWAY DEPARTMENT

---

The Highway Department report for 1972 is as follows.

Town Road Aid (T. R. A.) project on Oak Hill road was completed, under the supervision of the State Highway Department, with the final 2000 feet to the Concord line paved and sealed. This road is proving to be a substantial short-cut, not only in mileage but also as a time saver via the Turnpike to Concord.

Work was begun on the Ridge Road, starting at Route 129. Necessary trimming and cutting, drainage and excavation with nearly 6000 yards of base gravel applied for 4000 feet or a point near the Cate residence.

1973, hopefully, will see the remaining section completed to connect the 1970 Duncan Fund project at Carter Hill.

The Duncan fund account was utilized in four sections of town this past year. A considerable amount of ledge blasting was done on Currier, Coaster road and Piper Hill road, plus widening and graveling of Lovejoy road from Oak Hill road to the William Chesley residence. The remainder of this specified fund was used on the Clough Pond road from end of previously existing pavement to the Canterbury town line. This involved cutting right of way, necessary drainage, graveling, paving and sealing. This will make a much safer condition in the summer months at the Town beach.

The department obtained two pieces of equipment this year as voted in the 1972 Town meeting. A new two cubic yard loader, and a Ford truck chassis. The loader is equipped with a snow wing attachment that will help greatly in snow removal throughout the town as it already has saved both time and money on our road building projects this past year. The truck chassis was de-

livered in July on which the dump body from the 1966 truck was mounted. Because of the low potential "trade-in" value of the old truck, it was decided to keep it and mount the sand spreader body on this chassis. This proves to be a wise decision in that it does not tie up snow removal trucks for salting and sanding.

At this time I would like to mention that ninety percent of our equipment maintenance and upkeep is being taken care of within the department. At the present high cost of mechanical services we feel this has saved substantial cost to the town.

ROGER DOW,  
Road Agent

## BICENTENNIAL CALENDAR

This is the year of celebration, our 200th year as the town of Loudon. Already the ball is rolling. The results of our hard working committees are already apparent.

On January 19th the "Teenage" dance at the Loudon Village Legion Hall took place and was enjoyed by many of the young folks. The oldsters got in their dancing at the Country Hall on the 26th. Many costumes and the box lunch auction lent comedy and fun to this event.

For the snowmobile folks the races at Bryars Park on the 27th gave our local talent a chance to demonstrate their skills. An Ice Skating event was planned for the 28th. About 60 skaters turned out.

Coming events include our 4th annual Horse Show on May 27th. This event has proven popular and many attend each year. This year added features in this event include games, pony rides and a pet show for the children.

Then a period of spit and polish preparation of our summer weekend Aug. 17th, 18th and 19th.

At 12 noon on Friday at the legion grounds in the village, booths will open selling hand crafts, food, and Bicentennial Mementos to get you in the mood for the talent show at 8 P. M. at the Legion Hall.

Saturday at 10 A. M. is the parade date. The parade committee already have six band units scheduled, home town floats will be forthcoming and other local participants will make up a 2 hour event. At 12 noon the booths will be open again for display of their wares. There is an auction planned for this period at which time the Bicentennial coins will be offered.

For those who haven't since they were very young and for the young who never have, the experience of

riding in horsedrawn vehicles will be provided at the residence of Edward Rouse who will have a display of carriages and sleighs for those interested from 12 noon till 5 P. M.

Also a flea market will be in progress and a musket salute. Watch for posting of place for these events. At the supper hour will be a bean hole supper followed by a street dance.

Sunday morning after church further time to go for a buggy ride and to take pictures. The idea being that a brisk ride in the morning will whet the appetite for the chicken barbeque scheduled for 1 P. M. at Arcade Park.

This final period of the weekend celebration will feature the introduction of our guest speaker and honored guests, the presentation of awards and the cutting of the Town birthday cake.

Also planned in this 3 day period is a Brothers of the Bush-Beard contest, a Father-Son Baseball game and Fireworks.

All Townspeople are urged to take part, this is our celebration and is designed for and by the people of Loudon.

Bicentennial Committee  
Mrs. Lucille Ladd  
Chairman

The Bookmobile has made three visits and has left a total of three thousand one hundred and forty three books for circulation.

Several girls have worked after school preparing books for the Bookmobile, cleaning, doing shelfwork; also helped to decorate the library for the Christmas holiday.

Thank you girls for your services.

My sincere THANKS are extended to all individuals who made such generous contributions of books and magazines.

The library is open on Mondays from two until five and from six until nine. On Wednesdays the hours are from two until five and from six until eight. On Fridays the library is open from one until five. We close on holidays.

## FIRE DEPARTMENT REPORT

---

The men in your Volunteer Fire System are very pleased with the public's cooperation in making this an even better year than the last. We had 25 calls, six of these were for Mutual Aid to other towns. We asked for and received Mutual Aid assistance twice. It is very heart warming to know that you have all these companys standing by to back you up if needed.

The new 750 gal. pumper was put into service on the 22nd day of May. It is proving to be the best piece of equipment the department has ever had. We all are very proud of it as well as you all are I'm sure.

Again this year as in the past, we have been to training schools in the fire service. Deputy Andrew Downes has been carrying out his duties as training officer locally. I didn't think the day would come, but time is marching on -- so we are looking forward to some of the younger men taking an interest in the Fire Service and joining with us in making LOUDON a safe and enjoyable place to live. Please step forward and join a very colorful and exciting group of men.

A special thanks to Robert Robinson for his great assistance in redecorating, inside and out the station. With out his knowledge of the finer points, we would have been lost. Also his drive to complete the job kept us going.

Hopefully by July of 1973 we will be into our new central dispatch with Concord. This new system will give full 24 hour coverage on fire calls, with one telephone number to call on all fire emergency's. We plan on up dating our radio net with the addition of tone alert monitors to the fire men out of hearing of the siren. More information will be publicized as soon as equipment is converted and installed.

I would like to remind you all to clear up any misunderstanding about what action to take in case of FIRE. Make sure each person in the household knows two ways out of every room, especially the bedroom's. Be sure they understand that the first rule in case of FIRE is to get everybody out of the house — Fast, then call your Fire Department. Make and rehearse a home fire escape plan.

We in the Fire Service enjoy working for you, and your support in your Volunteer Fire Department is very much appreciated.

Sincerely,

WARREN M. JENKINS  
Chief

## REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

In New Hampshire, forest fire control is a cooperative State-town program. The Town Forest Fire Warden, appointed by the Director, Division of Resources Development upon recommendation of the Selectmen and the State's District Forest Fire Chief is responsible for fire suppression and other related duties. The State shares equally with the town in the cost of most forest fires, except illegal and careless fires, which are charged to the responsible party. The State further provides fire detection services, prevention programs, fire training for town wardens and crews, and back up equipment for fire suppression.

By authority of the State, the Town Forest Fire Warden controls all outside burning in his town except backyard cooking fires. Any person wishing to kindle a fire when the ground is not covered with snow must obtain a fire permit, free of cost, from the Town Forest Fire Warden. No permits will be issued for fires between 9:00 A. M. and 5:00 P. M. unless it is raining, except for commercial purposes.

Please be careful when using fire, remember it can be an extremely useful tool when under control but once allowed to run wild it can become a disastrous and devastating force. Only you can prevent a forest fire.

Number of fires reported and acres burned — 1972 season:

|          |              |            |
|----------|--------------|------------|
| State    | 410 fires    | 361 acres  |
| District | 90 fires     | 135½ acres |
| Town     | 4 spot fires | ½ acre     |

## **POLICE REPORT**

---

The Police Department would first like to thank the people of our town for the added interest and excellent cooperation we have been given. The interest has been proven on a number of occasions and aid in the prevention of or to be the answer to an offense that has been committed.

This year we have been more than busy for a part time department. We have averaged more than two complaints a day which has warranted the dispatching of an officer to cover.

The department also has purchased one state police radio with two more on order. 75% of which the Governors Crime Commission paid and 25% of which the town paid. We feel that these radios will make us much more efficient in radio communications.

Last year there were 473 court cases that were handled in Loudon Municipal Court. In the last three years, court cases and complaints have almost tripled.

Our department now has three police officers available during non-working hours.

Chief Robert Fiske 783-4476  
Sgt. Lewis Marston 783-4246  
Melvin Gullage 783-4218

## CONSERVATION COMMISSION REPORT

---

In accordance with New Hampshire R.S.A. 36A and your vote at last year's town meeting, Loudon now is among the 165 Granite State towns with a Conservation Commission. Our commission, like all the others in the state, exists to promote better utilization of our natural resources and to protect watershed resources.

At the 12 official meetings held since our appointment by the selectmen, we have discussed some of the many conservation problems facing our town, and acted upon some of the more urgent ones.

One of our first acts was to recommend that the Fish and Game Dept. place a "Deer Crossing" sign on Route 106 near the Concord line, though we were told later that such a sign probably would be ineffective.

A \$750.00 Ford Foundation grant was applied for to make a study of agriculture in Loudon, but it has yet to be acted upon by the foundation.

Plans for a projected Route 106 bypass of Loudon were examined, and correspondence was established with the State Highway Commission concerning various environmental aspects of the proposal.

A scrapbook of conservation-related clippings has been started which will be an ongoing project. When the first one is filled, it will be placed in the Maxfield Library for public use.

Nov. 2, your commission sponsored a slide presentation entitled "Countdown" at the Town Hall. A nearly full house viewed the program, dealing with land use and misuse in New Hampshire.

The Concord Conservation Commission has been communicating with us on their efforts to conserve the Broken Ground.

This fall, we made an on-site survey of a proposed vacation home development which we felt would be detrimental to a large parcel of the town's environment. We drafted a position paper stating our objections and presented it, along with some photographs, to the Planning Board to assist them in deliberating over the developer's plans.

As conservationists, we do not oppose development per se, but only that ill-planned development which threatens the natural world in which we live.

We have been functioning thus far without the benefit of any operating funds. All monies for postage and stationery have come from our own pockets.

In the coming year we hope to be a more active body, and welcome any suggestions or questions that you the townspeople might have.

## REPORT OF PLANNING BOARD 1972

---

### Members:

Stanley Prescott, Chairman  
Robert W. Warner, Secretary  
Robert Hibbard  
Homer LaBonte  
Richard Murphy  
Robert Ordway  
Selectman Dow

The Loudon Planning Board held ten (10) regular meetings and five (5) special meetings during the calendar year 1972. At these meetings the vast majority of items of business discussed was subdivision of property.

At a special meeting on June 7, 1972, the Loudon Planning Board held a public hearing at which all interested townspeople were informed of the Board's proposed subdivision regulations. After lengthy discussion by all interested people, the Board adopted the proposed regulations on June 7, 1972. These new regulations provide the framework by which the Loudon Planning Board can insure orderly subdivision within the town as well as guarantee uniform treatment to all people subdividing real estate.

## REPORT OF THE REGIONAL REFUSE DISPOSAL PLANNING COMMITTEE

---

The Advisory Committee authorized at the last Town Meeting and appointed by the Moderator has met with the Central N. H. Regional Planning Commission through the summer and fall, reviewed technical studies on various means of waste disposal; reviewed State air pollution control requirements; and evaluated alternate plans to help Loudon upgrade our solid waste disposal practices.

We have concluded that:

A. our present dump operation must be upgraded to meet State requirements by July 1, 1975;

B. that a sanitary landfill procedure offers the best method of disposal at least cost for the foreseeable future; that the number of potential sites, however, is limited and require detailed analysis and community discussion before they can be recommended as acceptable;

C. that there appears to be significant savings if towns can work toward a joint solution, but that exact costs cannot be determined until further studies are completed;

D. that there is significant interest in at least eleven other municipalities in working toward joint resolution of the problem. This is evidenced by the agreement and action of the towns to form a Regional Refuse Disposal Planning Board as provided under State law.

It is recommended that the Town take the following action at the 1973 Town Meeting:

1. Direct the Committee in conjunction with other towns represented on the Regional Refuse Disposal Planning Board to —

A. work out a detailed proposal to resolve the Town's

solid waste management problems or to report why such a joint action is not advisable, and

B. undertake such analysis, negotiations, and determination of costs for initial and continuing operations, and to draft the proper legal documents and organization procedures necessary to implement the proposed solution and to present these to the Selectmen for action at a Town Meeting.
